Guidelines for Sponsorship

1. There is only room for ONE Sponsor bar per Jersey.
2. The sponsor bars will be created by the Vendor of record for the COWHA.
3. The sponsor bars will be BLUE BLOCK letters for the home jersey and WHITE BLOCK letters for the away jerseys. No Logos, special fonts or other colors will be used on sponsor bars.
4. The Manager will be responsible for collecting the jerseys and getting the bars on prior to the teams' first home game. Managers must submit the lists in BLOCK letters.
5. The sponsor bar will be no more than 4 inches high by 14 inches wide. The more lines you want, the smaller the print will be on the bar.
6. Any special requests for additions to the jersey MUST be approved by the COWHA executive PRIOR to execution. (For example: Cancer ribbon for the 1998's). The executive holds the right to refuse any request they see fit and that will alter the brand.
7. Team Sponsors logos for the banner must be sent to team manager in JPG or PNG. Sizing of logo will be determined by sponsorship amount.
8. There will be NO logos being put on the pant shells. Extra individual sponsors can be put on the hockey bag or practice jersey of the individual player.
9. Please contact the VP Business if you have any questions about the sponsors or if you have special requests that need to be approved. vpbusiness@cowha.com
